Adult Review

There's a new brand of Asian smut in porn land, and it does a fantastic job of mixing nasty hardcore sex with thought-provoking experiences that will leave your brain and balls in a state of absolute ecstasy. Asian Emotion is a collection of 12 hardcore episodes where Oriental sluts crave cock, and show their emotional attachment to pleasing a man. All of the Asian Emotion videos are downloadable in full length format or viewable online. Three resolutions of WMV files are offered, with the best looking presented in DVD quality 640 x 480. A faster download version for dial-up and a portable Iphone MP4 version are also available - along with hundreds of individual screen grabs that you can scroll through in filmstrip form. These thumbnails are much larger than what you get at other Asian sex sites, and you can download all of them at once via a convenient zip archive. After checking out all of the Far Eastern porn offered at Asian Emotion, make sure you check out the humongous XXX showcase that is also included. Inside the showcase area you'll find full length streaming hardcore videos from more than 100 of today's premiere exclusive porn sites. It's a real sneak peak at the best porn on the planet included for free! You'll also get full access to additional exclusive porn sites on the Emotion Porn network that all strive to reach a higher orgasmic level by adding unique ideas and high quality porn unlike what you see elsewhere. Voyeurs, classic porn lovers, and fans of a growing XXX niche devoted to crying pornstars will be amazed by the collection. Asian Emotion made its debut just a short while ago, so it's still growing at the rate of 1 brand new Asian porn episode per week along with the other network updates. One of the recent updates features Lyla Lei decked out to the nines in a bright red fishnet top, with naughty fishnet thigh highs as a daring complement. Even though you'll enjoy how she's dressed, you won't be able to keep your eyes off of how deep her lover's cock is stuffed up her tight Oriental ass!

Porn Summary

Truly great XXX material rises above this norm and provides a wonderfully cathartic hardcore experience. Asian Emotion is a collection of Oriental smut growing at a regular pace and showcasing some of porn's classic Asian starlets in their best fuck scenes yet!
