Introduction

Some guys buy cars while others rent or lease. Some guys stick with the same wife year after year... this is a site for all the guys that would rather rent or lease.

Adult Review

Henny Youngman became famous for telling one liners and saying "Please, take my wife..." perhaps Extreme Wife swappers would have thrilled him!

This site is designed to show you two couples that meet each other and are given the opportunity to switch off with their opposing partners. Haven't you ever thought about passing your girl off to a friend for the night in exchange for a crack at his? This site takes that notion and puts it to the test.

The videos are all excellent quality shot by professional cameramen and production staffers... and the people in front of the camera make up a nice mix of industry vets and total on screen amateurs.

Dancing With The Stars and other reality shows have been big hits in the mainstream, it's no wonder a site like Extreme Wife Swapping has been such a big hit in the adult arena these days as well.

With strong downloadable content, fair pricing, a ton of bonus sites an extras... Extreme Wife Swapping is a site you can't afford to overlook.
