Introduction

Kitty Karsen is a very cute blonde teen with her own official site. She performs in 74 videos and many picture sets. She also does a couple cam shows live each week as well! Overall it's a nice site with a pretty starlet, but the site is expensive for what it offers and it has a lot of advertisements for other sites throughout the members area.

Review Rating

The Tongue says 'A very energetic teen solo starlet. The ads and price make it less enjoyable'
