Introduction

Tracy Trix is a nineteen year old who is more quirky and skanky than beautiful in the normal sense of the word. She will never be a supermodel, she's a bit too filthy for that. This is her brand new official website and it's part of a much larger network which brings plenty of content for your cock to watch!

Review Rating

The Tongue says *'Tracy Trix is right on the edge between being a pornstar and an amateur whore'*
