Introduction

Real unscripted sexual wrestling videos starring name brand porn stars who try to pin each other or force each other to submit as a showing of the Ultimate Surrender... where the winner fucks the loser after every match! Excited yet? You have got to see this amazingly original sex site!

Adult Review

Ultimate Surrender combines the unscripted raw aggression of professional mixed martial arts combat with new porn whores and some of the most sexually tense high def porn videos you have ever seen!

Each scene features brand name pornstars or tantalizing tag-team starlets battling for sexual supremacy on a wrestling mat with no holds or holes barred. Points are scored by a referee in each of two rounds and yes... the outcome matters because on Ultimate Surrender the winners FUCK the losers hard with a strap-on after every match!

Pre-battle interviews with the contestants, win / loss records of each battle whore and a real full size wrestling facility add to the allure of the real unscripted sexual contests that are filmed weekly for Ultimate Surrender. These sluts aren't faking their ferocity, every update features real action and none of these hardcore combatants want to lose a Match because the humiliation of being pegged by their opponent's strap-on in the center of the ring is brutal and degrading.

The one drawback to the site is that because the scenes are filmed in a real wrestling arena the sound quality can have too much echo at times and be weak compared to studio porn. It's a small price to pay for the increased creativity and exceptional action the site provides... though The Tongue would love to see Ultimate Surrender start using positional microphones to improve the sound quality because the grunts, groans and moans really do add a lot to the excitement.

The newer Matches are filmed in amazingly clear crisp 1280x720 high definition video with excellent production values. Older scenes are slightly smaller formats but are still very much enjoyable and totally unique. This really is one of the more creative hybrid porn sites on the market these days with action that will get you and your dick both pumped up for every new update.

Porn Summary

Ultimate Surrender is a site every pervert should take a look at for sure. The free preview of the site is the same as the members area so you can really see exactly what the site has to offer. If mixed martial arts and sex are two of your favorite things then these matches will rock your world... if they aren't then watching one humiliated slut getting fucked by the girl who just destroyed her in hand to hand competition will still be more than enough to make your dick want to stand up and do 'the wave!'
