Adult Review

Wet and Puffy delivers a very unique niche that you really don't see anywhere else. There's no resisting these one of a kind pussies, whether you're lusting over the puffy pussies or the glorious lips.

Even more surprising than the fact that there is a site featuring the wet and puffy pussy niche is the fact that they've got 103 videos and over 25,000 already. It can't be easy to find models with just the right pussies, so that's a big accomplishment.

It also bears mentioning that you get to enjoy these puffy beauties in HD quality videos. Daily updates bring fresh pussies to your computer every day, and there's no DRM to be had on the site at all.

These European beauties are impossible to resist, whether you fall in love with their puffy tacos or prefer their juicy cherries.

Porn Summary

Wet and Puffy classifies their pussies with a few different terms: big taco, juicy cherry, and puffy peach. All that adds up to a unique and impressive pussy centric site that will have you hooked from beginning to end.
