It's Hot
Because
It's True

Introduction

Don't kid yourself guys. No matter how good you think you are with your wife in the sack, she'll always leave you high and dry if the chance of getting jiggy with a thick black dick cums her way. Your cheating housewife may have vowed to take care of you in sickness and in health, but you better realize that your Wife Wants Black Cock every single day you're not around!

Adult Review

Hot and nasty interracial sex is the main course at Wife Wants Black Cock, a hardcore porn site featuring mostly white but all horny and lonely housewives whose pussies can't get satisfied unless they're being invaded by a big dicked street thug. There are 38 "featured episodes" online showcasing these hungry whores feeding their dark meat addiction.

The main members layout of Wife Wants Black Cock isn't the easiest to understand at first glance. There are loads of selections you can make and most lead to some kind of hardcore porn, but it turns out that the interracial theme makes up only a small piece of this black brotha loving creampie.

This humongous amount of bonus content is where the true value of a full membership to Wife Wants Black Cock lies. If you're looking for straight up exclusive interracial sex scenes that update at least once a week then this is not the place to be. But if you're content with watching some of the nastiest DVD scenes currently released on the XXX market then you'll like it here just fine.

Even though the "featured" interracial section hasn't updated in a very long time, a bunch of brand new hardcore scenes are added every day. The total amount of scenes in this porn megasite is listed as over 20,000, so prepare to use the search features that can filter out your favorite porn slut or DVD series. The scenes themselves are available as both streams and DRM-free downloads in XVID, WMV, and MP4 formats. And out of these the best quality is the XVID file.

So if you're a hardcore fanatic of cheating wives getting fucked silly by massive black dicks than sites other than Wife Wants Black Cock will better suit your perverted needs. But if your porn tastes are more well rounded then this is one of the better adult networks you'll find. Check out the growing list of Included Sites right next to this review to see all the hardcore smut that awaits!

Porn Summary

If your wife is a freak between the sheets, chances are slim that only your small white dick can satisfy her. If your hot Wife Wants Black Cock but still occasionally lets you fuck her, then might as well let her!
